Maxine and Ken,

As a follow-up to last week's July 5<sup>th</sup> discussion with Becky Weber, I wanted to share that on Friday, July 8, 2016, EPA, MDNR, and Ameren had a discussion related to SO2 monitors.

Attached is a PDF of the powerpoint slides which were developed by Andy Hawkins and discussed on the Friday call by Mike Jay.

My understanding is that modeling and technical staff from Region 7, MDNR, and Ameren are getting together for additional discussions this week.

Thank you.
